

Bethany Bridges is taking summer back to a different time, a time of being outside and building forts, exploring, riding bikes, eating lots of popsicles, focusing on friendships and having picnics. A time when things slowed down and sprinklers cooled us down on a warm sunny day. At “Camp Bethany” we intend to have some totally awesome throwback summer fun!

**Week 1 Pirates and Mermaids**

**Week 2 Let’s Dance**

**Week 3 Excellent Adventures in Japan**

**Week 4 Summer Olympics**

There are rumors that somewhere in this building there is a very old map which could lead us to hidden treasure, that’s where we will start our first week. Week 2 is going to be spent singing and dancing, a few movies, a little theatre, all culminating with a talent show. Now we will be edging nearer to the 2020 Summer Olympics by Week 3 so how better to celebrate than to hop in a “time machine” and travel back to ancient Japan, we may even learn about dragons! Week 4 is going to be an Olympic sized week of sports and fun mixed with some history of the Olympic Games. Our last day of summer will boast a picnic and awards ceremony. We hope you will join us!
